Please note:

Subscribing to our Bureau requires purchasing postage credits. Each postage credit represents the first-class stamp and the envelope for mailing one ounce of cards to you. Approximately 5 to 7 DX QSL cards will make up one ounce. The minimum subscription is \$5.00. Make check payable to “NJDXA” and print your call on the face of the check. If you would like to save time and postage money, you may subscribe on line using our PayPal credit card system. All transactions are secure and private. Go to www.njdx.org/paypal and click on the Credit Card option.

We must have a separate subscription for each call.

Our web site www.njdx.org features a detailed description of the operation of our QSL Bureau as well as a FAQ page that answers the most common questions. We strongly recommend that all of our subscribers become familiar with the system. If you still have a question, you may reach one of the Bureau Managers at bureau@njdx.org. If you wish, you may mail questions to us. Please enclose a SASE for the response. We do not accept SASEs for mailing cards to you. If you wish to subscribe, you must purchase postage credits.

Thank you for using the ARRL Second District QSL Bureau.
